## **TEMPUS ENGAGES INDEPENDENT TRADING GROUP AS MARKET MAKER**

Tempus Resources Ltd (“**Tempus**” or “the **Company**”) (ASX: TMR) (TSX-V: TMRR), an exploration company, currently exploring and developing the Blackdome-Elizabeth Project in British Columbia announces that, subject to regulatory approval, it has engaged the services of Independent Trading Group (“ITG”) to provide market-making services in accordance with TSX Venture Exchange (“TSX-V”) policies. ITG will trade shares of the Company on the TSX-V and all other trading venues with the objective of maintaining a reasonable market and improving the liquidity of the Company’s common shares.

Under the agreement, ITG will receive compensation of CAD\$5,000 per month, payable monthly in advance. The agreement is for an initial term of three months and will renew for additional one month terms unless terminated. The agreement may be terminated by either party with 30 days’ notice. There are no performance factors contained in the agreement and ITG will not receive shares or options as compensation. ITG and the Company are unrelated and unaffiliated entities and at the time of the agreement, neither ITG nor its principals have an interest, directly or indirectly, in the securities of the Company.

### **About Independent Trading Group**

ITG is Canada’s only brokerage firm dedicated specifically to professional trading. As Canada’s foremost Market Making Firm, ITG provides Market Making and Liquidity Provider services that are objective and focused. With its head office in Toronto, ITG employs real traders and provides real liquidity, with an underlying emphasis on integrity and success.

This announcement has been authorised by the Managing Director of Tempus Resources Limited.

### ***About the Blackdome-Elizabeth Gold Project***

Tempus is focussed on rapidly verifying and expanding the historical high grade Mineral Resource at the Blackdome-Elizabeth Project in British Columbia by drilling extensions to existing mineralisation and other high priority targets within the 350 km<sup>2</sup> licence area, which remains relatively unexplored. Tempus also intends to leverage the existing permitted mill, tailings dam and other infrastructure at Blackdome with the aim of re-commencing production as the Project proceeds.

### ***Forward-Looking Information and Statements***

This press release contains certain “forward-looking information” within the meaning of applicable Canadian securities legislation. Such forward-looking information and forward-looking statements are not representative of historical facts or information or current condition, but instead represent only the Company’s beliefs regarding future events, plans or objectives, many of which, by their nature, are inherently uncertain and outside of Tempus’s control. Generally, such forward-looking information or forward-looking statements can be identified by the use of forward-looking terminology such as “plans”, “expects” or “does not expect”, “is expected”, “budget”, “scheduled”, “estimates”, “forecasts”, “intends”, “anticipates” or “does not anticipate”, or “believes”, or variations of such words and phrases or may contain statements that certain actions, events or results “may”, “could”, “would”, “might” or “will be taken”, “will continue”, “will occur” or “will be achieved”. The forward-looking information and forward-looking statements contained herein may include, but are not limited to, information concerning listing on the TSX Venture Exchange, the ability of the Company to leverage the existing permitted mill, tailings dam and other infrastructure at Blackdome-Elizabeth, the ability of the Company to rapidly verify and expand the historical high grade Mineral Resource at the Blackdome-Elizabeth, the ability of Tempus to successfully achieve business objectives, and expectations for other economic, business, and/or competitive factors. Forward-looking statements and information are subject to various known and unknown risks and uncertainties, many of which are beyond the ability of Tempus to control or predict, that may cause Tempus’ actual results, performance or achievements to be materially different from those expressed or implied thereby, and are developed based on assumptions about such risks, uncertainties and other factors set out herein. Should one or more of these risks, uncertainties or other factors materialize, or should assumptions underlying the forward-looking information or statements prove incorrect, actual results may vary materially from those described herein as intended, planned, anticipated, believed, estimated or expected. Although Tempus believes that the assumptions and factors used in preparing, and the expectations contained in, the forward-looking information and statements are reasonable, undue reliance should not be placed on such information and statements, and no assurance or guarantee can be given that such forward-looking information and statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in such information and statements. The forward-looking information and forward-looking statements contained in this press release are made as of the date of this press release, and Tempus does not undertake to update any forward-looking information and/or forward-looking statements that are contained or referenced herein, except in accordance with applicable securities laws. All subsequent written and oral forward-looking information and statements attributable to Tempus or persons acting on its behalf is expressly qualified in its entirety by this notice.
